

SIMULTANEOUS TRANSLATION ON ZOOM

Helpful tips:

- Check if you have the latest version of Zoom (see the links at the bottom of the page)
- Use earphones (microphone + headphones) for better sound quality
- Mute the microphone during the meeting
- Enter the meeting with your full name + country of origin, to help the moderator
- Use the Q&A button if you want to ask questions to the speakers. The moderator will collect the questions for the speakers.
- NOTE THAT PRACTICAL CASES DO NOT PROVIDE SIMULTANEOUS TRANSLATION, as they take place simultaneously in the 3 languages provided (Italian, English, Spanish). Please access the specific link corresponding to the chosen language.
- If you have technical and / or practical questions, or need to contact the Secretariat, email to corsoaggiordc@pusc.it
- Select a language if you want to hear the simultaneous translation (see details below)

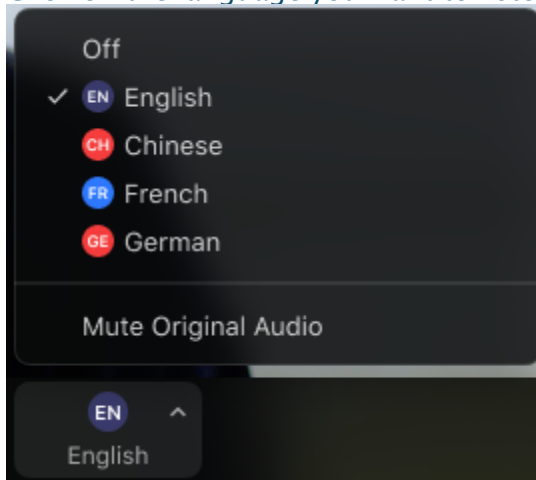

Listening to simultaneous translation

1. In the meeting/webinar control bar click **Interpretation**.

2. Click on the language you want to listen to among those available:

3. (Optional) To hear only the original language, click **Mute Original Audio**.
